

Honor an Educator

As the school year comes to a close and we reflect on those special people that have made a difference in our lives, families often look for ways to show their appreciation for our schools and individuals who work with them; a teacher, bus driver, aide, dance instructor or perhaps a coach might be among them. If you are looking for a way to express your gratitude that will prove meaningful and beneficial to many, please consider honoring that special person(s) with a donation to the Success Fund.

The Success Fund was formed in November 2007 by people committed to enhancing children's education. The Fund operates as a foundation for education. Members of the committee partner with parents, teachers, Marshall Public Schools and the community at large to identify innovative projects and programs for children within the Marshall Public School system. Your donation supports these programs.

Please consider honoring that special educator with a donation. Your recognition & donation (of any amount) is greatly appreciated. The names of those honored and those honoring will be published in the advisor&chronicle. The honorees will also receive a certificate acknowledging your gift. Your thoughtful gift honors one and benefits many. Thank you.

Educator or Personnel (current or retired) that you wish to honor

Honoree Name _____

Building Name: _____

Donation Amount*: _____

Donor Name (please list as you would like it to appear in the newspaper in late June):
