Swing for Success

At our first annual "Swing for Success" Golf Outing, 29 teams and over 80 sponsors teamed together to raise just over \$22,000 for the Success Fund. We thank all of those who participated as well as those who believed in Success through their dollar and in-kind sponsorships.

The Success Fund Golf Committee acknowledges and thanks all the volunteers who helped to make this event possible.

For more information, please call 781-2181 or email successfundformps@gmail.com.

Tom Hanson, Lisa Gibbs, Lindsey Thompson and Kevin Brownell were all 2008 Honored Educators. Their dedication to improving education was highlighted by participating in the first annual Success Fund Gold Outing.

Honor an Educator

Numerous educators were honored by members of the Marshall Public Schools community in our first annual "Honor an Educator" program. Each nominee received a certificate of honor, and then the total group was honored in the Marshall AdVisor in June. The "Honor an Educator" program will be an annual spring fundraising project to provide a meaningful and beneficial way to honor that special educator who positively impacted you, your child or your grandchild.

A thoughtful gift to the Success Fund honors one and benefits many. All 2009 "Honor an Educator" donations should be received by June 5, 2009. "Honor an Educator" form can be found on our website www.successfund.org

Our First Funded Project – All-Day Kindergarten

Based on community and parent input and aligned with Marshall Public Schools' new instructional approach to early education, the Success Fund joined hands with the former Betterment Committee to fund one of the five sections of all-day kindergarten. We are thrilled that our first project supported our beginning students in their exciting educational journey with Marshall Public Schools.

Success Fund Committee's First Year Accomplishments

- Created a volunteer committee and governance structure for decades to come
- Surveyed the Marshall Public Schools parents, teachers, administrators and community to suggest programs, activities or equipment that would enhance learning
- Began discussions with Marshall Public Schools for the creation of a community-involved academic strategic plan and planning process
- Partnered with the Betterment Committee to fund a section of all-day kindergarten
- Established an annual spring "*Honor an Educator*" program
- Completed our first annual "*Swing for Success*" fall golf outing
- Embarked on annual '*back to school*' fund raising activities
- Established a mechanism to begin on-going communications with our alumni and community

Future Funding Projects

- Support to Marshall Public Schools for meaningful professional development for teachers
- Programs and services for our high-academic achievers
- Innovative technology to enhance learning for all students

We look forward to partnering with MPS to help create an academic strategic plan to take Marshall Public Schools from a good school district to a *great* school district, where all students will be highly successful in an ever-changing global society.
